

A 10x10 grid of colored circles. The circles are arranged in a staggered pattern, with each circle having a unique color from a palette of dark purple, medium purple, blue, and teal. The circles are set against a light gray background with a white grid. The colors of the circles vary across the grid, creating a complex, non-repeating pattern. Some circles are a deep indigo, others a vibrant blue, and a few are a lighter teal. The overall effect is a dense, textured field of color within the grid structure.
